

## Lademann & Associates

Would you like to bring your knowledge of economics into practice and apply it to real-world problems? The combination of economic theory and empirical work excites you?

# Consultant/Senior Consultant – Competition Economic Consulting

### Company

We are a leading competition economic consultancy, located in the heart of Hamburg, Germany. Our team of renowned experts combines deep economic know-how with a strong sense of feasibility to provide our clients with clear guidance in high-stakes situations such as competition litigation, merger control, and regulatory proceedings. Our success is based on the commitment and expertise of our employees. Our work-culture is based on trust, teamwork, and respect. We create a supportive and collegial environment where everyone can contribute.

### Location

Hamburg/remote

### Your tasks

- Quantitative and theoretical economic analyses in complex business situations
- Providing economic advice and guidance to clients on national and international competition issues
- Drafting economic expert reports and statements
- Preparing court hearings and settlement negotiations
- Collaboration with a highly qualified and dedicated team
- Active participation in project meetings, workshops, and client presentations

### Your profile

- Degree in economics, ideally with a focus on competition policy, industrial organization, or econometrics – a relevant doctorate/PhD is an advantage
- Interest in the field of competition economic consulting, preferably in connection with antitrust law
- For the Senior Consultant position, we expect at least 3 years of professional experience
- Analytical thinking and the ability to explain and work independently on complex economic circumstances
- Excellent communication and presentation skills in German and English
- Experience with statistical software packages (Stata, R, Python, or comparable) for data preparation and econometric analyses and willingness to improve this knowledge
- Experience with software packages for market simulation and the willingness to expand this knowledge

# Lademann & Associates

## What we offer

- Exciting projects at the interface of theory and practice
- Individual responsibility within high-profile consulting projects
- Collaboration with a young and dynamic team of experts
- Attractive and competitive salary package and additional benefits
- Continuous training and personal development opportunities
- Fair working hours, long-term perspective, and flexibility
- Flexibility to accommodate changing personal and family priorities

## Application

If you are a passionate individual with a sound knowledge of competition economics and are looking for a challenging position in a dynamic environment, we look forward to receiving your application.

Please send your CV and a cover letter to [jobs@lademann-associates.com](mailto:jobs@lademann-associates.com).
